Additional Notes:

- Laurenco Technical Representatives will provide four (4) to six (6) site inspections free of charge.
- Additional site inspections will be billed at the rate of \$1,000.00 per full day plus expenses (minimum 6 hours) or \$600.00 per half day plus expenses (maximum 4 hours).
- FBC Chemical, at its sole discretion, may vary the number of site inspections based on project size and complexity.
- Warranty terms other than those listed above will be evaluated on an individual job basis. Requests for special warranties must be submitted, in writing, to FBC Chemical preferably during the design phase but prior to the start of work.
- **FBC/Laurenco at its sole discretion reserves the right to alter/exclude materials included in the overburden warranty based on a job by job basis. FBC/Laurenco at its sole discretion will determine the best course of action to bring the system back to a leak free condition in the unlikely event leaks occurs. This could include but is not limited to grout injection rather than full overburden removal and replacement.**
